At UMT:PLAY, all styles of music are welcome, but enthusiasm is a must.

Young people will get the opportunity to:-

- Get started – rehearsal space and other musicians to collaborate with
- Receive expert tuition (vocal skills, songwriting, stagecraft)
- Develop and produce their own event
- Record and take home their own material

UMT:PLAY will offer a wide range of musical training but it is interested in what happens when different kinds of music are integrated; on offer is DJ training, music production, vocal work, instrument tuition, band development, rapping – there really are no limits.

- Dates: 2 – 6 August
- Age range: Suitable for 11 – 24 year olds
